

Hello, and thank you for taking part in my photography project.

A maximum of 20 people will receive a different postcard, each card is connected by a theme. (I'm creating a narrative about a semi-fictional character using photography. You are helping me with some of the finer details and the ordering of the story.) You will be able to discover the bigger picture when I put the cards together as part of an online 3D exhibition later this month.

I'd love you to write something on one of the enclosed postcards and return it to me, the other is for you to use as you wish.

By taking part, I'd like you to be as creative as you want to be, and have fun.

Please...

1. Write a postcard - there's not a lot of space so you won't be able to write much. But I would like you to include at least five of the words from the list below
2. Be inventive in what you write - it can be about something 'real', or you can completely make it up - it's completely up to you
3. You can use the picture on the front to give you some ideas
4. Please don't use my name on the postcard, but use "Terry" or "T" instead (all will be revealed!)
5. Sign the card however you wish to
6. Post the card back to me by **14th August**: 32 Larch Road, Kettering, Northants, NN15 7BH

I'd like to use your words in my project, which means me photographing them. If you would prefer me not to, just let me know and I will only use your words as a stimulus instead of photographing or displaying them.

I will let you know how you can view the online exhibition soon.

From the following list of words, please use at least 5:

mother father mum dad family holiday visit/trip **train/boat/bus** rock(s) **STEAM**
arriving *white* sea chair(s) **paddling** snap(s) **dog(s)** shirt(s) funny
museum wedding **TRAVEL(LING)** home newspaper garden **cuppa** **rose(s)** **breakfast**
today **TOMORROW** red

Thank you again for taking part, and I hope you enjoy the experience!
Teresa
